

Prevailing Wage Determination Schedule

County: SUMMIT
Determination Date: 08/19/2010
Expiration Date: 11/19/2010

THE FOLLOWING PAGES ARE PREVAILING RATES OF WAGES ON PUBLIC IMPROVEMENTS FAIRLY ESTIMATED TO BE MORE THAN THE AMOUNT IN O.R.C. SEC. 4115.03 (b) (1) or (2), AS APPLICABLE.

Section 4115.05 provides, in part: "Where contracts are not awarded or construction undertaken within ninety days from the date of the establishment of the prevailing wages, there shall be a redetermination of the prevailing rate of wages before the contract is awarded." The expiration date of this wage schedule is listed above for your convenience only. This wage determination is not intended as a blanket determination to be used for all projects during this period without prior approval of this Department.

Section 4115.04, Ohio Revised Code provides, in part: "Such schedule of wages shall be attached to and made a part of the specifications for the work, and shall be printed on the bidding blanks where the work is done by contract..."

The contract between the letting authority and the successful bidder shall contain a statement requiring that mechanics and laborers be paid a prevailing rate of wage as required in Section 4115.06, Ohio Revised Code.

The contractor or subcontractor is required to file with the contracting public authority upon completion of the project and prior to final payment therefore an affidavit stating that he has fully complied with Chapter 4115 of the Ohio Revised Code.

The wage rates contained in this schedule are the "Prevailing Wages" as defined by Section 4115.03, Ohio Revised Code (the basic hourly rates plus certain fringe benefits). These rates and fringes shall be a minimum to be paid under a contract regulated by Chapter 4115 of the Ohio Revised Code by contractors and subcontractors. The prevailing wage rates contained in this schedule include the effective dates and wage rates currently on file. In cases where future effective dates are not included in this schedule, modifications to the wage schedule will be furnished to the Prevailing Wage Coordinator appointed by the public authority as soon as prevailing wage rates increases are received by this office.

"There shall be posted in a prominent and accessible place on the site of work a legible statement of the Schedule of Wage Rates specified in the contract to the various classifications of laborers, workmen, and mechanics employed, said statement to remain posted during the life of such contract." Section 4115.07, Ohio Revised Code.

Apprentices will be permitted to work only under a bona fide apprenticeship program if such program exists and if such program is registered with the Ohio Apprenticeship Council.

Section 4115.071 provides that no later than ten days before the first payment of wages is due to any employee of any contractor or subcontractor working on a contract regulated by Chapter 4115, Ohio Revised Code, the contracting public authority shall appoint one of his own employees to act as the prevailing wage coordinator for said contract. The duties of the prevailing wage coordinator are outlined in Section 4115.071 of the Ohio Revised Code.

Section 4115.05 provides for an escalator in the prevailing wage rate. Each time a new rate is established, that rate is required to be paid on all ongoing public improvement projects.

A further requirement of Section 4115.05 of the Ohio Revised Code is: "On the occasion of the first pay date under a contract, the contractor shall furnish each employee not covered by a collective bargaining agreement or understanding between employers and bona fide organizations of Labor with individual written notification of the job classification to which the employee is assigned, the prevailing wage determined to be applicable to that classification, separated into the hourly rate of pay and the fringe payments, and the identity of the prevailing wage Coordinator appointed by the public authority. The contractor or subcontractor shall furnish the same notification to each affected employee every time the job classification of the employee is changed."

Work performed in connection with the installation of modular furniture may be subject to prevailing wage.

Instructions for Using the Ohio Wage and Hour Division Web Site to Access Wage Rate Information

December 2, 2009

The Wage and Hour Web Site

The Ohio Wage and Hour Division web site is located under the Ohio Department of Commerce - Bureau of Labor & Worker Safety and has been recently re-designed in an effort to make access to the wage rates more efficient for Division customers. Internal and external cost reductions were also accomplished by the re-design. New procedures have been established for accessing the wage rate information through the web site from the documents within the wage rate database. This document contains instructions on those procedures.

How to View Wage Rate Data

The Ohio Wage and Hour web site is connected to a database which has the latest wage rate information that the Division currently has calculated. Access to the internet is, of course, required to obtain the wage rate information in this manner. The following procedure will help in finding the website on the internet:

- 1) Establish a connection to the internet
- 2) Open the following location, <http://www.com.ohio.gov/laws> this will take you to the Ohio Department of Commerce - Bureau of Labor & Worker Safety services web site.
- 3) Once the web site is open the top banner of the Wage and Hour home page should look like this:

- 4) To gain entry into the database which contains the wage rates click on "[View Wage Rates](#)" which is on the home page.

- 5) The system will then request that the user submit three basic bits of information in order to gain access to the data. These bits of information include; “Your Name”, “Your E-Mail”, and “Password” to login. When the system requests this information the prompt should look like this;

The screenshot shows the Ohio Department of Commerce Bureau of Labor & Worker Safety website. The header includes the Ohio.gov logo and navigation links: forms, contacts, about LAWS, and search. Below the header is a navigation bar with links for Consumers, Business, and License/Permit Holders & Applicants. The main content area is titled "Prevailing Wage Rates Authentication" and contains instructions: "You must type your name, email, and password exactly. Then click the 'Login' button to view the wage rates." Below the instructions is a login form with fields for "Your Name:", "Your E-Mail:", and "Password:", followed by a "Login" button. At the bottom of the form area are three links: "Register Online (I have not previously registered.)", "Email me my Password", and "Modify my Registration Information".

- 6) If you have not previously registered, click on the “Register Online” link to set up “Your Name”, “Your E-Mail” and “Password”.
- 7) After you click on “Register Online” the screen will look as shown below and on the next page.

Step 1. Public Authority Information

If you have previously requested wage rates please find the name of your organization in the list. If you can not find your name in the list enter your organization or individual name in the "Name" field. Select what type of user you are.

The screenshot shows the "Step 1. Public Authority Information" form. It has two sections: "Existing Owner/Public Authority Name:" and "New Owner/Public Authority Name:". The "Existing Owner/Public Authority Name:" section has a dropdown menu with "A" selected and a search bar with "-Select-". The "New Owner/Public Authority Name:" section has a text input field. Below these sections is the "Type of User:" section with four radio buttons: "Public Authority", "Company", "Contractor", and "Individual".

Step 2. Project Information

Please use the small drop down arrow to find your project. If not found, please enter it in the "New Project Name" line. If you do not know what project to select or enter, type in "project unknown". Enter the following Mandatory information: your Name, a Password that you will remember, and a valid e-mail address.

[Back to home](#)

- 12) Most charts will have more than one row of clickable items. Clicking on any of the underlined items in the chart will bring the wage rates up for that item. This will be in the format of a form, which is printable. Use whichever "Effective" date that covers the construction period for your local authority project, or the latest rate posted. The wage rate form will look like the example on the next page.
- 13) To escape from the form when done viewing or printing, simply click the browser's "back" button to return to the previous screen. Another item in the chart (if there is more than one) may then be chosen and viewed.
- 14) If you return to the site within 24 hours and click on the "View Wage Rates" icon, the system will skip the log on procedure and immediately present the selection view with the classification, county, or union selection lines as shown in items numbered 10 and 11. If you return after a 24 hour period, you will be required to repeat the log on procedure as described in steps 1 through 12.

hazardous, such as oxygen deficient atmospheres, IDLH atmospheres, or confined space entries, but the risk of skin exposure is not as great as in Level A situation.

Level C

Protective equipment includes a protective suit and an air purifying respirator (APR) with the appropriate filter canisters. The ensemble is used when the contaminants are reliably known nt to be hazardous to the skin and not IDLH (Immediately Dangerous to Life or Health) and correct filter protection is available.

Level D

Protective Equipment to be worn only in established "safe zones" may consist of, from normal work clothes to normal skin protection such as gloves, face shields goggles, coveralls and occasionally respiratory protection.
